Transcriber's Office

March 25, 1998 LB 924, 924A, 1073
 LR 400-422

it's a good cause, but no, we need to examine how broad this is going to be, and don't do damage to the system in the sake of wanting to be helpful. It's not a question of, do these supporters want to be helpful? Of course they do, but you're going to do great damage to this system. And I know they're working in certain places, but, once you authorize them statewide, you're going to put them into every court room, you're not going to have volunteers in every county, and you're going to have a lot of problems. I would hope we would not adopt this amendment. And are there some other lights on, Mr. President?

SENATOR COORDSEN: Time. Senator Will, do you wish to be recognized?

SENATOR WILL: Mr. President, I move to recess until one-thirty.

SENATOR COORDSEN: Just a second before we take that up. Mr. Clerk, items for the record?

CLERK: Thank you, Mr. President. I have...well, your Committee on Enrollment and Review reports (LB) 924, (LB) 924A as correctly engrossed. And study resolutions, (read brief summaries of LR 400-422). Mr. President, that's all that I have at this time. (See pages 1373-86 of the Legislative Journal.)

SENATOR COORDSEN: Mr. Speaker, you wanted to address the assembly before we move to the recess motion?

SPEAKER KRISTENSEN: Thank you, Mr. President, I do. I would like to put people on notice that at the end of the agenda today we will put LB 1219, and I will put a written notification of that on everyone's desk after lunch as well. It's at the end of the agenda for the end of the day, if that's necessary, LB 1219.

SENATOR COORDSEN: Thank you, Mr. Speaker. The motion is to recess until one-thirty. All in favor please say aye. Opposed nay. We are recessed.
